## ARCITE WINS AT 100 TO 1.

GEORGE J. LONG'S GELDING TAKES THE MEASURE OF SOME GOOD YOUNGSTERS.

Ram's Horn Wins Bay Ridge Handicap—Gets a Competent Ride—A Day of Upsets at Sheephead Bay—Some Sales.

New York, July 9.—Today's program at Sheephead Bay was a bulky and top-heavy one of seven races. The closing race, at a mile and three-quarters on the grass course, was run in a heavy rainstorm at a later hour than usual. The immense attendance was augmented by numerous arrivals of horsemen and racegoers from both Buffalo and Salem. The success of two favorites encouraged the speculative inclined, but their joy was of brief duration. Ram's Horn ran for the western contingent. Comedienne was overlooked completely. Umbrella was anchored by the Daly hoodoo and only the select, the initiated, few warmed to Angler. The greater the volume of money flowed to the coffers of the layers on Lancastrian, the more liberal their prices. The Ellison horse ran a poor race.

It was fit and proper that something out of the common should mark the closing days of the present Sheephead Bay meeting, so hopelessly awry on public form, so the success of a 300 to 1 shot, a 20 to 1 shot and the running second of a 100 to 1 shot fails to excite any unusual comment.

George J. Long's chestnut colt Arcite, by Alvecot—La Gascogne, vanquished a big field of good two-year-olds in commanding style at odds of 100 to 1 and at one stage in the betting there had been 300 to 1 about him. There were eight youngsters of supposed stake caliber in this race, McCarter, Royal Breeze, Marathon, Eddie Ware, J. C. Core, Okenite, Botanist and Montgomery—and they all had some support. Not one in a thousand gave thought to the despised outsider that eventually took this band of alleged turf stars into camp so easily. Willie Applegate, however, is reported to have cleaned up on the westerner. There were many bets registered on his program calling for \$2,000 to \$10. "Humming Bird" Tyler actually laid one astounding wager of \$6,000 to \$20. George S. Davis ran away the full course before the start and was eliminated as a factor. A long delay resulted.

Ram's Horn, ably piloted by Shaw, reversed his running in the Commonwealth Handicap and administered a sound beating to a good company of handicap horses in today's feature, the Bay Ridge, at a mile and a quarter. The pace was fast and even throughout. It was the first time in weeks that one of the big fixtures resulted in a true run race.

A quick sale was made of L'Amour, the winner of the two-year-old selling race, sixth on the card, Joe Marrone acquiring the chestnut gelding, by Golden Garter out of Amourette, for \$1,200, at private sale. The youngster was entered to be sold for \$500, but elicited no bid. Umbrella, the tremendously backed favorite, in the aforesaid race, ran in the colors of W. C. Daly. This was not discovered until the parade to the post revealed the fact that the filly was no longer owned by J. R. Keene. Immediately there took place a wild stampede to the ring by her backers in an effort to "hedge." Nobody for a moment believed that Umbrella had a chance to win at such short odds. Not within the memory of man, it is alleged, has a horse starting a favorite been owned by "Father Bill" won a race. Umbrella need no longer be considered except perhaps in muddy going.

George W. Langdon parted with J. C. Core to Tom Welch immediately after his fiasco in the third race.

### RIGBY'S LICENSE IS RESTORED.

New York, July 9.—Advices from Vienna are to the effect that jockey Ben Rigby has had his license restored by the Hungarian Jockey Club. A short while ago Rigby lost his license through what was taken as an insult to an official of the Jockey Club in making an explanation to the stewards of his riding.

## SCANT PROFIT FOR BURNS & WATERHOUSE.

Average of \$234 a Head for Yearlings Produced in California and Sold in New York.

New York, July 9.—Uncommonly low prices prevailed at the Burns & Waterhouse and the Ranocas auction sales of thoroughbred yearlings at Sheephead Bay today. The California lot, consisting of twenty-two head, less three that were passed, brought a total of \$4,650, or a trifle over \$234 per head, a very low average. The New Jersey-bred youngsters sold for very little more, twenty-three head going for \$6,525, an average of \$283.70. Five of them failed to elicit a bid. The total for forty-two head was \$11,175, an average of \$266. The summer sale period will be concluded tomorrow with the remainder of the Ranocas youngsters. The next sales will be held during the Sheephead Bay meeting, September 1 to 15. The summary: PROPERTY OF MESSRS. BURNS & WATERHOUSE, CANDELARIA STUD, HOPLAND, MENDOCINO CO., CAL.

## NO MORE COATLESS LAYERS ON LAWN.

"Bob Pinkerton hit the nail a sounding thwack on the head when he promulgated the order compelling bookmakers and their assistants to clothe themselves like the ordinary run of human beings when they throng and rush out from the ring to view the races from the lawn in front of the grandstand," says the Morning Telegraph. "The Jockey Club and Mr. Pinkerton are not so monstrously particular about the makeup of the layers of odds while they are doing business inside the ring. There, on a very hot day, while the crowds are surging and perspiring it would be inhuman to require the bookmakers to wear stand-up collars, "billed" shirts and their coats, but it is rather a different matter on the outside.

"Formerly the bookmakers at the cry of 'They're off' were wont to grab their stools and scramble out to the front just as they were, coatless, hatless, collarless and with their shirtsleeves rolled high above their elbows. To say the least, they were not an especially inspiring sight for the women in the grandstand. Consideration of this proved the inspiration of the new order.

"Now the bookmakers, the minute they hear the shout that means the horses have started, throw down slate, sheet, chalk and sponge and, hustling into their coats and collars, seize their stools and rush on to the lawn. The change is certainly one for the better. There is a whole lot in appearances, even where bookmakers are concerned, and when they are properly coated and collared they make a much more pleasing impression on the women who are constantly wondering how things are in the ring."

## ROYAL LADY LOSES RIDER IN STAKE RACE.

Humming Bee Bumps Into Her and Unseats Garner—Starter Dade's Work Is Applauded.

Salem, N. H., July 9.—Jockey Garner was thrown from Royal Lady in the fourth race at Rockingham Park today, but sustained nothing worse than a severe shaking up. It was in the feature race, the Charmingfare of \$1,000 for two-year-old fillies at five furlongs. Only three went to the post and right after the start Humming Bee bumped into Royal Lady, throwing her off her stride and unseating Garner. The boy alighted on his feet and hands and was able to ride in the race following. Humming Bee came on and won by five lengths from Gleeeful, her stable companion. Royal Lady was wild after unseating her rider. She ran both ways of the track and jumped over the fence separating the straightaway from the main course and was only captured when she stopped completely exhausted. Much to the surprise of every body Garner failed to make a claim of foul against the winner.

It is not often that a start brings applause from racegoers, but the start in the third race today did. The race was at a mile and a furlong and the start was directly in front of the stand. Starter Dade got the six horses in perfect alignment and then sprung the barrier. They sprang away as one horse and the start was so perfect that it evoked considerable applause.

John A. Drake left here for Montana Saturday and Andrew Miller, president of the New England Breeders' Club, has gone to New York for a couple of days.

C. T. Henshall, Morris Welch and Abe Garson have arrived at Rockingham Park with their strings.

## THE TROUBLE AT PROVIDENCE.

President Maurice M. Minton, of the Narragansett Breeders' Association, has felt himself called upon to give reasons for declaring off the meeting at Providence, which was scheduled for the period from July 23 to August 11 and he does so in the following statement recently issued:

"Early last January Governor Utter stated that from his interpretation of the laws of Rhode Island no meeting could be held unless the Legislature amended them. I stated at that time that the meeting last summer was legally and lawfully conducted by the association in so far as the association had authority. I further stated that if by reason of existing laws, racing was threatened, the Legislature, if it desired to have running and trotting meetings, could enact a racing statute to enable incorporated associations to hold their meetings during a limited number of days.

"No such laws were enacted, and Governor Utter has not vacated his opinion. For the association to hold a meeting and contest the position of Governor Utter is not in line with the policy of the association; therefore it has abandoned its intention to race running horses or to permit the racing of harness horses.

"When the purchase of Narragansett Park and the improvements to be made thereon were contemplated it was stated that racing under the rules of the Jockey Club would be welcomed, and that it would add materially to the midsummer attractions of the state. It was also pointed out that Narragansett Park had for years been noted as a race course and that no opposition had ever been made to meetings held thereon. Acting upon the solicitation of persons friendly to the sport and upon advice of counsel, a large sum of money was invested, and from the standpoint of the sport a successful meeting was held.

"Whether this association will ever again race in Providence is a matter not to be stated at this time. It sought to secure the good will of the people of Rhode Island, not only by the excellence of the sport it offered during the eighteen days of its meeting, but by the order and decorum it rigidly enforced. So far reaching were its efforts to protect people from the lawless element that it stationed Pinkerton police at the wharves and railway depots to stop pickpockets from entering the city of Providence so that it could not be stated that the races had injured the city. On the other hand, while the meeting was held at a loss to the association, it did much to improve certain lines of business in Providence, Cranston, Narragansett Pier and other places.

"It also gave Rhode Island's summer population something to do when in search of pleasure. The meeting this year, judging from the popularity created among horsemen by last year's meeting, would have been brilliant, and the added events carded by the Association would have insured a success from a sporting standpoint. But the Association, even assured of success, had no disposition to place itself in a position which it would have to defend or which could have been construed to mean an effort on its part to perform a questionable, if not an unlawful act."

## SECRETARY WOODRUFF'S MOTHER IS DEAD.

Mrs. Julia T. Woodruff, mother of Secretary Harvey T. Woodruff, of the Western Jockey Club, died suddenly from a disease of the heart at her home in this city Saturday morning. The funeral will take place at the family residence, 95 Warren avenue, this afternoon at 1:30 o'clock. The interment will be at Graceland.

## MAHER LEADS IN PERCENTAGE.

On a basis of percentage, Danny Maher is now leading the jockeys riding in England this season and in the matter of winning mounts he is a close third.

## LATONIA'S DAY OF COUPS.

JUDITH LOUISE IS A "GOOD THING" FROM THE RESPESS STABLE.

Elastic Wins at a Fancy Price for Louis Lemp and Party—Drexel, However, Fails Through Cotillion's Foul—Steeplechase Mishaps.

Cincinnati, O., July 9.—Today's card at Latonia called out the most ordinary collection of horses that have met in competition during the present meeting. However, the sport was better than expected and the attendance was large. The success of Judith Louise, a smart youngster from the Respass barn in the second race was a severe blow to the bookmakers here and, from all accounts, elsewhere. Opening at 15 to 1 and in some books for a moment or two quoted at 20 to 1, the money poured into the ring on her and forced a cut in the price until 4 to 1 was the best obtainable. She made good in decisive style and, judging from her performance today, better things can be expected of her.

Another good thing that netted his connections handsomely was Elastic, owned by Louis Lemp of St. Louis. On his last appearance he was badly beaten and taking this as a specimen of his capabilities, the bookmakers always laid a fancy price. Nicol got Elastic off forwardly and won all the way.

The closing race found Drexel the medium of an attempted big coup, but it failed, chiefly because of Preston's foul tactics in keeping the McCafferty horse pinned against the inner rail for the major part of the last half. Cotillion, which just beat out Drexel, was disqualified for Preston's rough work and third place given to Drexel.

In the steeplechase mishaps were numerous and luckily no one was injured. Snowdrift, the favorite, unshipped jockey Porter at the third jump and continued riderless with the others to the last jump. She alternated in the lead with St. Enoch, but at the final field jump she mistook the course and in attempting to go to the left caused a mix-up which was responsible for the falling of St. Enoch and Stoddard and the running out of Ohio King.

Among today's arrivals were Mose Goldblatt and jockey Aubuchon. Goldblatt says his horses will be shipped here tomorrow.

J. O. Keene is trying to secure stable room and if successful, will ship his entire string here from Kenilworth.

William Gerst shipped Poster Girl, Mendocino, Alvis, Lady Carol and Matabon to Fort Erie, where they will be raced by George Holle. Trainer Will McDaniel received a telegram from his brother Henry announcing the safe arrival of Brancas at Sheephead Bay.

F. M. Arthur claimed Jay Swift from Scott Hudson, which ran in the second race. His claiming price was \$700.

Dainty Dame and Old Honesty will shortly be shipped to Saratoga.

H. Boyle purchased Signum after the running of the steeplechase.

Augur again pulled up on the verge of breaking down and was with difficulty led back to his stable.

## RUMORED WHEELLOCK WILL QUIT.

New York, July 9.—George A. Wheelock, the big operator and former president of the Metropolitan Turf Association has, it is rumored, retired from the tracks and intends to quit for good. It is stated that Wheelock came to Sheephead Bay \$250,000 winner, but has lost nearly all of this stupendous sum. It is known that the plunging bookmaker dropped \$100,000 in just four days.

## BRANCAS NOW IN THE EAST.

Brancas is at Sheephead Bay and will take part in the Brighton Beach campaign where he is engaged in the Brighton Handicap July 14; Islip Handicap July 21; Nautilus Stakes July 31, and Invincible Handicap August 2. His weight in the Brighton Handicap is 107 pounds.

## BAILEY TO ARRANGE FOR COMMISSION.

Cincinnati, O., July 9.—Senator J. W. Bailey, of Texas, will arrive here tomorrow to argue for the Kentucky Racing Commission in the appealed case before the judges in the United States Circuit Court of Appeals.

## JOCKEY BURNS WILL GO TO FRANCE.

New York, July 9.—Tommy Burns, accompanied by his family, is to sail for France Wednesday next. Burns has been offered a good engagement by a prominent French turfman and the probabilities are that he will put in the remainder of the season in the saddle in that country.

## ROCK SAND IS ON THE WAY TO AMERICA.

New York, July 9.—Rock Sand, the celebrated English racehorse for which August Belmont paid \$125,000 and which is destined to assume the premier position in the Nursery Stud in Kentucky, was shipped from England Saturday.

### GOOD PILOT MAKES MUCH DIFFERENCE.

The value of a good jockey to a good horse was  
 strikingly illustrated in Ram's Horn's last two  
 races. With Perrine up, he was unplaced in the  
 rich Commonwealth Handicap. With Shaw in the  
 saddle, he easily accounted for the much less valua-  
 ble Bay Ridge Handicap. Had Shaw ridden him in  
 the Commonwealth it is quite within the range of  
 possibilities that he would have won it also. Given  
 a competent rider he should prove hard to beat in  
 the Brighton Handicap next Saturday, being now  
 evidently in his best form.

### SIR HUON'S BRIGHTON ENGAGEMENTS.

Sir Huon has but two stake engagements at  
 Brighton Beach. He is in the Montank Stakes, one  
 and one-eighth miles for three-year-olds, July 17,  
 and Glen Cove Handicap, three-quarters of a mile,  
 for three-year-olds, July 30. Failure to enter him  
 for some of the greater events of the meeting is  
 regrettable.

 Prosecuting Attorney Seagins that they are com-  
 mon nuisances, Chancellor Curl today granted a  
 temporary injunction against the operation of local

 a week on the order of Sheriff Williams.

### SOUTHERNERS BACK SIR HUON.

 Commonwealth Handicap at Sheephead Bay Satur-  
 day cost the poolrooms and handbooks in Cincinnati,  
 Louisville, Lexington and Memphis over \$50,000.

Winner—Ch. c. by Alveco—La Gasconne (trained by P. Coyne).  
Went to post at 3:30. At post 2 minutes. Start good. Won easily; second driving; third the same. Arcite maintained a place in the forward contention from the start and suddenly drew out in the last furlong as if the others were tired. McCarter practically forced the pace until straightened for home, where he succumbed to the winner, tiring and swerving as if short, but ran a good race. Marathon finished fast on the inside. Royal Breeze, seriously pocketed on the last turn, came with a belated rush. Fantastic ran a fine race, finishing fast. J. C. Core got away very badly and ran on the extreme outside. Okenite again failed to stay after running up in front with the favorite for a half mile. Botanist got away poorly. Eddie Ware may have been short.  
Scratched—63164 Standard Oil, 112; Puritan Girl, 109.  
Corrected weights—George S. Davis, 122.

**63520** FOURTH RACE—1 1/4 Miles. (2:04—4—112.) Bay Ridge Handicap. \$2,500 added. 3-year-olds and upward. Net value to winner \$3,225.

Winner—B. c. by Bute—Aunt Tessa (trained by W. S. Williams).  
Went to post at 4:10. At post 2 minutes. Start good. Won easily; second driving; third the same. Ram's Horn, luckily and skillfully placed from the start, was reserved within striking distance of the leaders for a mile and made good with a rush in the last quarter run when facing a strong wind. Von Tromp broke slowly and raced around the others, moved up like a flash on the far turn into close attendance on the pacemaker and appeared all over the winner, but failed in the closing drive. Bedouin, badly shut off and knocked to the rear on the first turn, was forced to go around on the outside and, coming with a belated rush at the end may have been best. Cederstrom, from an inside position, beat the others away and set a stiff pace for a mile before he tired and is a much improved horse. Blandy held on surprisingly well for a mile and an eighth, racing prominently for that distance. Eugenia Burch was unable to raise a respectable gallop. Colonial Girl also retired after going five furlongs.  
Scratched—(63488)Go Between, 126; (63488)First Mason, 112.

Winner—Ch. f. by Plaudit—Maxine Elliott (trained by J. T. Muir).  
Went to post at 4:35. At post 2 minutes. Start good. Won easily; second driving; third the same. Comedienne decisively outbroke, outpaced and outstayed her opponents, running a fast and game race. Monet ran a fine race, but was carried out, lost ground at the half and was shut off repeatedly, swerved under the whip in the stretch and could never get up. Ironsides was a good horse today and finished like a cyclone. Gallavant, a wonder in mud, may have found the track too hard, ran in close pursuit of the pacemaker for five furlongs and then tired as if short. Diamond Flush steadily improved his position after going the first half. Ballotta failed to stay. Warning, nearly left, closed a big gap.  
Scratched—63488 Edna Jackson, 111; 63488 Tommy Waddell, 110; 63488 Arkhira, 112; 63488 Ticker, 92.

Time, 1:01.  
Winner—Ch. c. by Golden Garter—Amourette (trained by A. J. Joyner).  
Went to post at 5:00. At post 2 minutes. Start straggling. Won driving; second and third the same. L'Amour was always in the front division and, finishing gamely, secured a lucky victory in a whipping finish. Athens loomed up like a sure winner after entering the stretch and a weak finish beat him. Citrona came fast from the rear in the stretch. Xmas tired in the last furlong after a good, game effort. Umbrella conspicuously lacked both speed and stamina. Golden West finished well up. Alonby got away poorly and closed a gap, but had no chance at the start. Dr. Lee also had no chance at the start.  
Scratched—63244 Sweet Eileen, 94; Fish Hawk, 99.  
Overweights—Alonby, 4 pounds; Standard Oil, 3; Doc Kyle, 3.

Went to post at 5:28. At post 2 minutes. Start good. Won easily; second the same. Angler, reserved in a forward position for a mile and a quarter, shut into the lead on the outside in the closing half and won as his rider pleased. Leila, after trailing for six furlongs, moved up rapidly into a fast going second at the end. Huntington was a prominent contender for a mile and a half and tired in the last quarter. Lancastrian, from the start, was unable to raise a respectable gallop. Woodman only lasted for a mile of forward contention, then dropped out of it. Priority was prominent for a mile and a half.

Went to post at 3:23. At post 1 minute. Start good. Won easily; second driving; third easily. California King held his opponents safe all the way, rated along in front for the entire trip and always had something in reserve. Neptunus was hard ridden all of the last furlong to stall off New York. The latter was seemingly unable to improve his position at any stage of the trip. Lilita was messed about and cut off several times and would have been a contender with a good ride.
